

## St Joseph's College, Albany Bring Your Own Digital Device for 2018

St Joseph's College has secured a great deal with JB HiFi to supply computers selected by the College that meet all the right specifications. These selected computers include accidental damage protection insurance at no additional cost. After purchase, your computer will be delivered to our school and then configured by our IT Staff in mid January 2018. We will contact you when your computer is ready for collection.

To take advantage of this deal please follow the instructions below.

1. Go to [jbeducation.com.au/byod](http://jbeducation.com.au/byod)
2. Enter the School code **Stjosephsc2018**
3. Once Logged in, Select the **7 to 12** Student Program
4. Select **School Pickup**
5. Follow the prompts to choose your device, additional insurance options and accessories.
6. Enter your personal details
7. Select a payment method and complete your order
8. If you have any questions please contact JB HiFi Solutions on 1300 730 548

## Frequently Asked Questions

- **Does my Device need to be set up for the College network?**  
Yes, all new devices need to be configured by the IT Department for the College network. Your device can be dropped off at the College, with the form below, from the 8th of January to ensure it is ready for the start of the 2018 school year.
- **Do I need to purchase Microsoft Office?**  
No, the College will provide and install Microsoft Office.
- **Does the College offer any Internet Filtering?**  
Yes, the Cyberhound Roam Safe internet filtering software will be installed when your computer is configured for the College network.
