### Advert Body

**Position details:**

St Joseph's College is a growing Catholic school catering for students from Three-Year-Old to Year Twelve. The College is seeking a highly motivated and innovative Industrial Arts teacher with a speciality in Woodwork. This position requires someone who is enthusiastic, energetic and able to work as part of a team. This position is available for two years due to the current teacher undertaking a secondment in the Kimberley. The College will meet the costs of relocation to Albany for the successful applicant.

**Selection Criteria: (if applicable)**

The successful applicant must:

- \* Be supportive of the Catholic ethos of the College.
- \* Have a detailed knowledge of current curriculum developments in the Industrial Arts teaching and learning area.
- \* Be able to teach another learning area preferably Science (essential if this position is to be full-time).
- \* Have the capacity to teach Certificate II Construction in Senior School (essential).
- \* Have excellent planning skills and the ability to develop effective teaching programs that cater for individual differences.
- \* Have the ability to analyse and use data to inform teaching and learning practices in order to raise student levels of achievement.
- \* Possess highly effective communication and interpersonal skills so as to engage positively with colleagues, students and parents.
- \* Have excellent classroom management and organisational skills that create a supportive and safe environment.
- \* Have an excellent understanding of a variety of assessment and reporting strategies and the need to provide effective and timely feedback to parents and students.
- \* Have the capacity to be a pro-active member of a professional learning community complying with legal, administrative and professional requirements.

- \* Demonstrate an ability to integrate technology effectively into the daily classroom environment.
- \* A preparedness to be fully involved in school activities.

**Qualifications Required:** *(if applicable)*

Bachelor of Education or equivalent.

TAE40116 Certificate IV in Training and Assessment

CPC20211 Certificate II in Construction (Pathways)
