YEAR TEN AND ELEVEN EXAMINATIONS

The Semester Two Year Ten and Eleven Examination timetable has been published and all students have received an individual copy. Additional copies can be downloaded from the College website or collected from the College Administration.

*Some key information relating to each Year group is as follows:*

Year Ten students will sit their examinations scheduled during their normal school timetable. All students are required to attend school until 13 December, the final school day of Term Four.

Year Eleven students who are enrolled in an ATAR university course will be required to attend school to complete their examinations and normal classes will not be scheduled from Friday, 15 November to Friday, 22 November inclusive. Students may use the College library for study purposes or alternatively study at home. Full College uniform must be worn when attending examinations. Normal classes will resume on Monday, 22 November. This week is very significant as all teachers will give feedback to students on their examinations and overall performances. This time should be used to determine whether you are on track to gain the WACE certificate and to attain a creditable ATAR at the end of Year Twelve.

Year Eleven students who are enrolled in NON-ATAR/VET courses **must** attend normal classes to complete their Certificate units of competency and WACE courses to be positioned favourably to enter Year Twelve to gain their WACE Certificate. No study leave is timetabled for Year Eleven students enrolled in this pathway. The final week for all Year Eleven students is a time to seek advice from teachers and if necessary to make an appointment with Ms Sue Alderman to discuss courses for 2014.

All Year Eleven students are required to attend school until Friday, 29 November.
If you have any queries please contact Ms Sue Alderman or Ms Jude Stringer.
