- JS Assembly - Yr 5, 8.45am
- Yr 6 First Aid

Prayer for First Communion

"May you always know the peace of Jesus,
the light of His love, and the joy of
His life within you."

Amen

From the Principal

Dear Parents, Staff, Students and Parishioners,

This Sunday at the 9.30 am Mass in the Holy Family Church, a number of students from St Joseph's College will celebrate the Sacrament of First Communion. All at St Joseph's College are very proud of these students as they reach a major milestone in their faith journey. Congratulations: Andrei Bombasi, Angeline Maligat, Brian Somoza, Chiara Simon, Christian Porritt, Cydney McCracken, Desmond Burns, Jade Durack, James Johnston, Jocelyn Goodwin, John Byrne, Liam Corbett, Logan Miller, Natale Trichilo, Noah Hickson, Orlando D'Alesio, Riley Burns, Ruby Stubbings, Teresa Alegria, Trent Russell, Vanessa Hunter, Violet Clark, Zacheus Ndong'a and A'ine Noone. Thank you to Mrs Hines and Mrs Cavanagh for the preparation of the children, Mrs Palfrey for preparing the Mass and Mrs Mielens for coordinating the choir. Thanks also to Father Randolf for celebrating the Mass with the students. Appreciation to the parents for their attendance at the two workshops and their assistance in the lead up or during the ceremony.

Congratulations to Trent Russell who receives the Sacrament of Baptism tomorrow. May this special event lead to many blessings from God, now and in the future.

Our Religious Education programs provide information; our Masses, Retreats and Sacramental program provide formation and our Christian Service opportunities are avenues for transformation. At St Joseph's College our aim is to develop 'men and women' for others and already this is becoming evident in our school culture. I wish to applaud Callum Redshaw (Year Twelve) who has generously given of his time to umpire the Junior School Eagles Cup football games each week. Well done on taking an interest in our younger students, Callum!

On Tuesday 31 July, there will be an Open Night at St Joseph's College from 5.00 pm until 7.30 pm. There will be a variety of activities: Drama & Music Performances, Classroom and Art Displays, Interactive Activities, Digi Tech, Games and Sport, Sausage Sizzle and Refreshments, Trade Training Centre Activities to name a few. The purpose of this evening is three-fold:

Special of the Week

Potato Pie

Savoury mince with a creamy mashed potato and cheese topping for \$4.50

Uniform Shop

The Uniform Shop is taking orders for girls' long pants. The due date for orders has been extended to **Tuesday, 12 June 2018, by 9.30am**. Order forms are available from either the Uniform Shop or College Office. Payment must be enclosed with the order form. Unfortunately late orders cannot be processed.

A sizing kit is available at the Uniform Shop during normal opening hours.

Girls Size 4c-16c - \$32
Adults Size 4a - 16a - \$37

Mrs Helen Anderson - Uniform Shop Co-ordinator

Student Achievements

Congratulations to Logan Miller in Four G who recently represented Albany in a Rugby Union tournament in Perth. Logan is part of the Albany Storm Junior Rugby Football Club and competed in the Under 9's competition winning all of their matches, played over two days. Well done Logan!

Principal's Report

- An opportunity to celebrate the great things that happen at St Joseph's College daily but not often seen by parents.
- Current families are asked to invite neighbours or family friends who might have an interest in enrolling their child at St Joseph's College in 2019.
- Many parents in our Junior School are not aware of the opportunities available in the Middle and Senior Schools. This event will enable this to occur.

In 2017, many families supported this event and I hope parents will attend the 2018 Open Night to show their sense of community and interest in their child's current and future education.

There is a P&F Meeting this coming Tuesday 12 June at 6.00 pm in the up-stairs staffroom located in the Administration Block. I encourage parents to be in attendance so that together even more can be achieved to further enhance the learning opportunities available for our students. To-date there has been much to celebrate in terms of parents making a difference in our school community!

The Junior School Cross Country was held last Friday. There were some strong finishes, personal best times and overall enthusiasm by all who participated. An important highlight was the way in which students who had completed the event, encouraged their fellow competitors to finish the course. Great sportsmanship, and a top effort by all! Many thanks to Mr Scarterfield and all who helped in one way or another with this event. There were a number of parents who spectated over the afternoon and their presence was greatly appreciated.

The Nationally Consistent Collection of Data on School Students with Disability (the national data collection) is an annual collection that counts the number of school students receiving an adjustment due to disability and the level of adjustment they are receiving to access education on the same basis as other students. Please read the information provided in the Fact Sheet for Parents and Carers by clicking the following link: <http://web.sjc-albany.wa.edu.au/docs/FactSheetNCCD.pdf> If any parent **doesn't** want their child included in the data for St Joseph's College, please contact the College Office.

Students and parents are reminded about the benefits gained by participating in the multitude of activities, programs, groups, clubs, events and sports available at the College. Students who engage in these activities are more likely to develop a wider circle of friends, improve their self-esteem and enjoy their day to day experience of school. Students also develop 'lifelong' 21st Century skills of persistence, resilience, collaboration, independent learning, critical thinking, innovation and engagement.

In 2017 St Joseph's College introduced the Certificate II in Animal Studies as a stand-alone course for students in Years Ten - Twelve. The provision of this course enables students with the ability to complete a certificate within the animal industry and opening opportunities for entry into the industry after completing high school. To successfully complete the certificate, students must undertake a minimum of 150 hours work placement. During their placement the student is required to undertake a variety of practical assessments. If any parent can accommodate one or more students in such an activity, please email or phone Mrs Jane Bennett (Jane.Bennett@cewa.edu.au).

**CELEBRATION
OF THE SACRAMENT
FIRST HOLY COMMUNION**

**Sunday, 10 June 2018
9.30 am
Holy Family Church
Martin Road**

All welcome to attend and support our young ones as they receive the Holy Eucharist for the first time.

We hope to seeing you all there.

**Chaplain's Corner
Fr Randolf Subiaco**

The Series 'Narcos' begun by a voice over of Murphy. He said, "Magical realism is defined as what happens when a highly detailed, realistic setting is invaded by something too strange to believe". In most if not all genre of American series from Netflix we encounter this magical realism. Another example would be 'Suites'. A skilled, talented Mike Ross who pretended as a Harvard Educated Lawyer, landed in a prestigious law firm in the big apple "New York".

Some of these events maybe fiction but the story of 'Pablo Escobar' is true. We would be in awe on how he was able to build his empire. There are also stories of people who became successful from a good way. Henry Ford was a farm boy, who went on to revolutionise the transportation industry. Saint Mother Teresa of Calcutta she was not able to build an empire of business. She was able to build institutions to help the orphans, the dying, those with HIV/AIDS and

Principal's Report

Blessed Frederic Ozanam is the patron of Ozanam House and the founder of the Saint Vincent de Paul Society. As winter sets in, we are appreciative of our warm houses, food and a comfortable bed. Unfortunately, not all in Albany enjoy these basic comforts. A value that is important at St Joseph's College is the desire to help those in our community who need assistance. Each year, students from Kindergarten to Year Twelve in Ozanam House coordinate the St Vincent de Paul Winter Appeal and send in non-perishable food and bedding for those in need and encourage others in our community to do likewise. Last year many families within the Albany region required food assistance during the Winter months. This year the number is expected to increase. The items you donate will go a long way towards helping the needy within our community. The most sought-after items are:

- Non-perishable food items e.g. tinned meats, soups vegetables, tomatoes, peas, beans, fruit etc.
- Pasta and pasta sauce
- Shelf life cheese
- Noodles
- Small packets of sugar, jam and vegemite
- Cereals, biscuits and long-life milk
- Pillows, linen and blankets that are not necessarily new

Over the past week so many students and staff have brought along items for the Winter Appeal; thank you for your generosity!

Together everyone achieves more at St Joseph's College.

Mr Mark Browning - Principal

College Notices

Talented Young Writers' Programme for 2018 Term 2

A reminder to the students who are enrolled in the Talented Young Writers' Programme for 2018, your second workshop is coming up.

- Venue: Vancouver Arts Centre, 85 Vancouver Street, Albany
- Author: J.C. Burke
- Date: Year Nine - Twelve: Monday 11 June
Year Six - Eight: Tuesday 12 June

Information was mailed home to participants last year, however if you should need this information again please or for more information, Direqt Message Mr Habal or see me in Room 304 or in the Drama Room.

Mr Richard Habal - Co-ordinator

Leprosy. Most of all Saint Mother Teresa was able to inspire others to do so. Incredible stories of human persons either good or bad would make you jaw drop. The human person is capable of doing things, even the most unimaginable. But at the end of the day it is up to us to create our own magical realism. The human decision and free will, given by God allow the capacity to dream and to create and to make things possible. Hopefully we will be able to make a change by making the impossible possible.

Junior School News

2018 Junior School Inter House Cross Country

The Junior School Inter House Cross Country was held on Friday 1st June. We had some rain in the morning, which added to the challenge for runners as they traversed the College Cross Country Course. Students from Year One through to Year Six took part in the day's events. Well done to all runners for their fantastic effort. De Vialar took out the Champion House for 2018 with a narrow margin separating the other Houses. Thank you to all the parents, relatives and friends who came to show their support on the day. It was great to see such a large number of spectators.

Year	Champion	2 nd Place	3 rd Place
Year One Boys	Alexander Hills	James Dollas	Max Naughton
Year One Girls	Abigail Molenda	Billie Harrop	Kaitlyn Allen
Year Two Boys	Archie Henderson	Mason Baker	Oakley Stewart
Year Two Girls	Ruby Lee	Elsie Clayton	Ava Wignall
Year Three Boys	Jordan Berkelaar	Kalgan Simmons	Jethro Simmons
Year Three Girls	Taylor Ward	Lillian Molenda	Jessica Buck
Year Four Boys	Storm Pietropaolo	Desmond Burns	Joshua Hanbury
Year Four Girls	Violet Clark	Gabrielle Smith	Chloe Harding
Year Five Boys	Jacob Lee	Oliver Pass	Zephyr Simmons
Year Five Girls	Tatum Whalley	Charlotte Clayton	Sasha Burns
Year Six Boys	Ben Thomas	Lucas Maffei	Isaiah Mcleod
Year Six Girls	Mikaela Lock	Arna Franklin	Caris Fisher

Junior School News

Eisteddfod Success

The Junior School Choir travelled to the Entertainment Centre in Week Four to perform in the Music Eisteddfod. The Choir sang exceptionally well and were awarded second place. The adjudicator's report included comments such as "vibrant singing, very disciplined, great dynamics and excellent ensemble work." The adjudicator also made special mention of our happy faces. In addition to receiving valuable feedback from the adjudicator, this was a wonderful opportunity to showcase the talent at St Joseph's College and to learn from watching other choirs perform. We enjoyed a wonderful afternoon of singing.

Mrs Sue Findlay - Music Teacher

Secondary School News

From Head of Secondary

This week students in Years Ten, Eleven and Twelve have been busy both in preparing for and sitting their examinations. I congratulate the students on the mature manner they have gone about this business.

Mrs Page met with our new career mentors this week. The Career Mentor programme will begin next week and run for approximately ten weeks on a Tuesday morning. This is a wonderful opportunity for our Year Ten students... one that I am sure they will take full advantage. A special thank you to all our mentors both new and old, our College is all the richer for your commitment.

Year Ten students took advantage of the free community health immunisation programme and received their vaccine against Meningococcal disease on Wednesday. Thanks to Mrs Sally Moir and her team for making this a smooth process.

As I write this I look forward to the Music Concert tonight at which a number of our students will perform. Thanks to Mr Dougherty for providing this opportunity. No doubt we will hear more about this in a future newsletter.

Have a terrific weekend...let's hope for the sake of our farmers that it brings some rain...but only after the sporting fixtures are complete.

"Some people walk in the rain, others just get wet" (Roger Miller, American Singer-Song writer 1936-1992)

Ms Susan Alderman - Head of Secondary

Year 12 ATAR Exam Boost Seminars in Albany in Term Three

Academic Task Force will be in Albany presenting a series of one day ATAR Exam Boost Seminars for Year 12 students from Week Two of Term Three at UWA Albany Centre.

Exam Boost Seminars are available in *English, Methods, Applications, Chemistry, Physics, Modern History, Phys Ed Studies, Human Biology and Biology.*

Each one day seminar will provide your students with comprehensive revision of Unit 3 and 4 and preparation for Mock and ATAR course exams and in-depth study notes.

Seminars are taught by highly experienced ATAR subject-specialist teachers.

Seminars will be held at the UWA Albany Centre and each seminar is six hours and costs \$200.

For further information, timetable and details on how to enrol please click on the following link: <http://web.sjc-albany.wa.edu.au/docs/2018AlbanyRevisionProgramFlyer.pdf>

If you have any further questions about our services and what we offer please do not hesitate to contact us on 9314 9500.

PUSHION for Kids Concert
Albany City Wind Ensemble

recommended age
3-8 years

Conducted by
Sue Findlay

Sunday 17th June
Mt Lockyer Primary School 2pm

ACWE invites you to get up close and personal with classical instruments in this highly interactive concert especially designed for 3-8 year olds. While looking for Captain Pirate's lost pirate ship, children will march with Spongebob Squarepants, play a range of percussion instruments, and experience being on the "inside" of a concert band. Some lucky children will conduct the 50-piece band which is trained to follow the pint-sized conductors—no matter what they do. At the conclusion of the performance, every child will have the opportunity to play a trumpet and a trombone.

Children \$10
Older siblings & Adults \$5

Tickets available at the door & online

Grow Free

Do you have a vegetable garden and would you be interested in participating in "Grow Free" in Spencer Park?

"But sharing is really powerful. People feel joy and happiness when they give freely to one another, whether it's their neighbour or a complete stranger through a sharing cart." (Andrew Barker, Grow Free brainchild).

Grow Free encourages people to share excess home grown produce and seedlings. Anyone can take what they need and swapping is encouraged but not completely necessary.

For more information go to the Grow Free website: <http://www.growfree.org.au/>

Please let the College know if you would be interested in this venture.
