Dear Parents, Staff, Students and Parishioners,

There is tremendous power in little acts of goodness and service. I am privileged to witness that power every day in the way that parents interact with their children, the way that parents choose to interact with the staff, the way that staff interact with the students and most importantly, the way that our students interact with each other. Thank you to all in our community who genuinely make a difference each day!

St Joseph’s College is very fortunate to have the Ave Maria Chapel as a designated sacred space in the life of our school. We have a venue which is prominently placed on our school site and provides a constant opportunity for each of us to reflect upon the importance of faith and prayer in our lives. Sitting in our chapel with the light streaming through the stained-glass windows, the feelings of divine presence and the invitation to prayer become possible. In this special place we are invited to leave behind the matters of everyday life, the busy world of meetings, classes or other routines and prepare to meet the divine. This sacred space invites students, staff and parents to enter a quiet contemplation of important or complex issues and to seek healing where it is needed. As a school which places such high priority upon the quality of relationships, this opportunity should not be undervalued. The vision of St Joseph’s College challenges every member of this community to a life of faith and service. We believe that the chapel and the celebration of enriching liturgies therein strengthens the life of our school. Thank you again to all who share and reinforce this vision and I extend a warm invitation to all members of our community to enjoy this sense of the sacred by visiting the College Chapel at any time.

This year, the Sacrament of Reconciliation will be celebrated in the parish over two Saturdays. This weekend the first group of children will receive this Sacrament. The prayers of our College are with these children and their families at this special time in their faith journey. Thank you to Ms Della Bosca and Mrs Lock for their effort in preparing the children.

Prayer

Father, I want to resist the temptation to compare myself to others. Help me see the ways you have uniquely gifted me to serve you and your Kingdom. Thank you for making me just as I am. Forgive me for the ways I have compared myself and coveted the abilities of others. I pray that, starting today, I would see the opportunities in front of me to use my gifts and abilities.

Amen.

From the Principal

Dear Parents, Staff, Students and Parishioners,

There is tremendous power in little acts of goodness and service. I am privileged to witness that power every day in the way that parents interact with their children, the way that parents choose to interact with the staff, the way that staff interact with the students and most importantly, the way that our students interact with each other. Thank you to all in our community who genuinely make a difference each day!

St Joseph’s College is very fortunate to have the Ave Maria Chapel as a designated sacred space in the life of our school. This year, the Sacrament of Reconciliation will be celebrated in the parish over two Saturdays. This weekend the first group of children will receive this Sacrament. The prayers of our College are with these children and their families at this special time in their faith journey. Thank you to Ms Della Bosca and Mrs Lock for their effort in preparing the children.
Children’s Book Week was celebrated with enormous creativity and energy last week. The College gymnasium was filled with students, staff and parents for the annual parade. The St Joseph’s community is indeed very fortunate to have such wonderfully committed students, staff and parents who are prepared to share their time and creativity, ultimately to build community spirit. I certainly wish to affirm the expertise, energy and positive involvement of so many who contributed towards the success of this significant College community event. Thank you to Mrs Loveridge for coordinating this event.

Students at our College possess many special talents. Three recent examples are:

- Susann Ndong’a (Year Eight) who earnt her First Dan Black Belt for Pomsae. Susann will represent the state in Taekwondo for the fifth time in Bendigo this September.
- Zacheus Ndong’a (Year Four) who achieved a silver in Pomsae Under 10s. Zacheus will also represent the state in Taekwondo for the second time in Bendigo this September.
- Jessica Pell (Year Nine) who was selected by the Australian Mathematics Trust for a place in digIT 2019. Under this programme Jessica will join sixty other students for a programme that includes a six-month mentoring system, talks from prominent people in ICT, lab work, and excursions.

Congratulations to Susann, Zacheus and Jessica on their excellent achievements!

The St Joseph’s College Board has a key role to play in enhancing a sense of community and ensuring the needs of our school are met. They believe the responsible use of electronic devices both at home and school is a particular need for students, staff and parents. The Board have organised a series of workshops for students and staff from Year Five to Year Ten on Wednesday 10 October. In the evening, a presentation will occur for parents of the St Joseph’s community. The presenter of the workshops is Mr Paul Litherland. Following the presentation there will be an opportunity for parents to enjoy some refreshments and socialise with College Board members. All parents regardless of the age of their child are asked to keep this night free as there is much to learn about the ever changing world of social media. Please refer to the following link for further information: Cyber Safety Flyer

Below are several paragraphs about the key presenter Mr Paul Litherland.

“Paul Litherland was a Western Australian Police Officer for 21 years and he lived in Albany for a period of time. For the last 5 years of his policing career Paul worked within the Technology Crime Investigation Unit, dealing with the myriad of issues relating to the online world. Paul came to realise the great risk our kids were being exposed to and soon became frustrated at the lack of power he had to act on the issues being faced by our kids, their parents and educators. Paul felt education was the better approach and as such, he left the WA Police in 2014 and Surf Online Safe was born. Since then Paul has gone from talking to only a few schools in his local area, to presenting to over 200 schools and organisations across WA. In 2015, Paul presented to over 45 thousand students on the very important subject of Internet Awareness.

Paul has a very strong reputation across WA and comes highly recommended. A Surf Online Safe presentation offers real life examples and practical techniques that will help educators and parents better understand the networks our kids are using and what they are being exposed to. Paul offers some great tips and hints that will help guide our kids through the online world, whilst still giving them the tools to interact with their peers safely and
Principal’s Report

appropriately. Paul also offers parents information on how to grow with their kids in the online world as well as offering useable techniques in device and computer management in the home and at school. Anyone who has seen one of Paul’s presentations has been amazed at his subject matter knowledge and his presentation style. Information is easy to follow and not technical and has a real impact on the audience, young or old."

St Joseph’s College offers a Three-Year-Old Programme which caters for children who have turned three years of age but are not yet old enough to be in Kindergarten. A one full day programme is available in 2019 where the students commence at 8.40 am and conclude at 3.00 pm. Parents interested in this programme need to lodge an application form now as the number of children will affect how this class will operate. The cost of this programme is cheaper than day care.

To determine the number of staff (teaching and non-teaching) required for 2019, it is important to know if any students are not returning next year. Parents are required to give the College one term’s notice in writing if they are withdrawing their child(ren) from St Joseph’s. If a student is withdrawn without the proper notice, a full term’s fee will be charged. If a student is not returning for 2019, the last day to submit this information is Friday 21 September 2018.

There are a multitude of ‘good things’ happening in our school due to the efforts of so many people; seek to be one of these people in the coming week!

Mr Mark Browning - Principal

College Notices

Book Week Parade 2018

The parade was a huge success with some great costumes on show around the gym!

Children and parents (and grandparents) outdid themselves this year, along with the teachers, who dressed as some of our favourite book characters.

Junior School Teacher - Sinorina Rowe as “Miss Peregrine”
Middle and Senior School Winners

Year Seven  John Delima “Humpty Dumpty”
Year Eight  Caeden DeMarteau “Bob the Builder”
Year Nine   Jedsen McLeod “Mr Bump”
Year Ten    Tahni Carlisle “Lara Croft”
Year Eleven Julia Walker “Malificent”
Year Twelve Tess Shields “Gamora - Guardians of the Galaxy”

Middle/Senior School Teacher - Mr Habal “Peter Pan”

Thank you to Mrs Jendrzejczak, Mrs Fuller and Mrs Wiegele. Our judges, Mrs Sivwright, Mrs Lock, Mr Charlton, Mrs Tompkin and Miss Rowe made excellent choices. Thanks also to Mrs Goodlad for the music and everyone else involved.

Mrs Sam Loveridge - Co-ordinator

Dental Screening

Dental screening was carried out on Pre-primary, Year Three, Year Six and Year Nine students enrolled with the Dental Therapy Centre on Tuesday 21st August. The purpose of screening was for the Dental Officer to determine which children are ready to be referred to an orthodontist. Screening does not take the place of a routine dental examination. Appointments will be posted home for parents and children who require a consult with the Dental Officer. Children who are too young for a referral at this stage are placed on review and will be monitored.

Parents are reminded to contact the Dental Therapy Centre if they have changed address in the last few years as the school is unable to provide these details. Many appointments that we issue are returned due to incorrect addresses. Please advise us if your child is already under the care of another dentist. If you have any questions or concerns please call on 9841 3967. Thank you from the Dental Team

Beanie BINGO

The Junior School Undercover area came alive with over 100 keen Beanie Bingo participants on Thursday 16 August. This year’s event well and truly surpassed the number of participants from previous years and everyone who came along thoroughly enjoyed the night. The noise level could not be contained when many players were so close to reaching BINGO. Congratulations to our prize winners and thank you to everyone who supported the evening by donating prizes and participating on the night. Over $700 was raised and these funds go to McCormack House’s focus: Sisters of St Joseph of the Sacred Heart who work in Peru to help the poor.

A big thank you to event coordinator, Jane Bennett and Peter Findlay for being the MC and calling the Bingo Numbers on the night. Well done to the whole McCormack team for putting together a successful event. Beanie BINGO is proving to be a great success and we can’t wait to see what next year brings.

McCormack House
Kid’s Colouring Competition (The Snow Queen)
Thank you for all your entries from Pre-Primary to Year Six. The Theatre Arts Guild is overwhelmed with your support to this colouring competition. The wonderful winners can claim their FREE tickets from Ms Erica Mielens. We are looking forward to seeing you with your family and friends at the show. The guild would also like to acknowledge our Year Twelve Certificate II Visual Arts students who judged the competition: Talarah Pedrocchi Roelofs, Amy- Centaine Evans and Hamish Walker.

Winners:
- Pre-Primary Gold - Halle Orzel
- Year One Blue – Tarkyn Hack
- Year Two Blue - Stella Cuthbert
- Year Three Blue – Anthony Maffei
- Year Four Gold – Angeline Maligat, Lauren Green
- Year Five Blue – Sophia Villanueva and Year 5 Gold – Abbey O’Donnell
- Year Six Blue – Arna Franklin

“Winter is my calling and my duty. There are so many places to visit. So many lands to see. Would you like to come along?” - Snow Queen

The Snow Queen is inviting all of you for this year’s College Production: ”The Snow Queen”. Tickets are available at the front office for only $15 for adults and $10 for concession/students. The performances will be on Saturday next week, 1 September with a matinee show at 2pm and evening show at 6:30pm. Mr Steve Dougherty’s Certificate II Music students will also be performing. Let us support our Performing Arts students from Years Six - Twelve. Invite your friends and relatives.

St Joseph’s College Performing Arts

St Joseph’s Warriors on Waste (St Joe’s WOW)
Last Tuesday the Year One and Two children went to Middleton Beach to be Warriors on Waste with their Aim to clean the beach of all manner of plastics. But unfortunately, the weather was against us, and we needed to act on our back-up plan, which was to come back to school early. The children were greatly disappointed with not being able to fulfill what they had set out to do. When the children were asked what they thought of the morning, some said they didn’t enjoy it because it was raining and they got wet. But, it was very pleasing to hear that many, many children were sad because they were not able to do, what they had gone to the beach for, and that was to help our environment. Some responses: Willow Year 2 said “When other little children are born, they want to be in a clean environment, so we need to stop people from littering and we have to persuade them to stop”. Shylah Year 1 “If we keep littering it will kill the animals”.

Although we did not achieve what we set out to do, there were many lessons learnt. Firstly, the children learnt that things don’t always go as planned, and it is important to just take a big deep breath and move on. Secondly the children continued to develop their resilience and they acknowledged that there are many things in life we cannot control and the weather is one of them. The children all agreed, that if we don’t try to do things, we will not achieve things in life. The important thing is, to have an attitude of not giving up! If things don’t go as planned, we just change the course! I believe this is a very important life lesson.
It was very pleasing to see that on our return to the classroom some students spontaneously made posters, to encourage others to protect our environment. Some of the messages on the posters were: “Please don’t litter because it is killing our environment.” Charisma. She also thought it “would be a good idea to ban plastic bags from your home.” Archie’s message was “don’t use plastics, because animals will die”.

In all, we managed to get about 30 pieces of plastic off the beach. Not very much, I know, but at least it is a start. One thing is for sure, for every piece of plastic we don’t use, is helping our environment. I would like to give a very sincere thank you to Bunnings for donating the gardening gloves that were used on the day.

I had a thought… that one Saturday afternoon in a few weeks, we shall have another try at cleaning the beach of plastics. So, any families that would like to join us, are more than welcome to come to Middleton Beach, possibly in the afternoon after sports, to be part of the “St Joseph’s Warriors on Waste” or “St Joe’s WOW” At this point in time, I am tentatively looking at Saturday 8 September. More information will follow with a confirmation of the date. Obviously, our desire would be for a dry sunny day!

I am looking forward to seeing many families at the beach clean-up, to support the St Joseph’s Warriors on Waste (St Joe’s WOW). This would be a wonderful opportunity for the children to engage in community service. Watch this space!

Mrs Elizabeth Bain

Multi-Sport Carnival
The annual ADPSSA Multi-Sport Carnival for Years Five and Six students was held on Wednesday 22 August at the North Road playing fields. Under grey skies and windy conditions students had the opportunity to take part in soccer, hockey and football round robin tournaments against Bethel Christian School, Great Southern Grammar and Parklands Primary School. St Joseph’s contribution was outstanding - fielding 4 soccer teams, 2 hockey teams and 2 football teams. All students must be commended on their participation and effort with many students trying a sport they had never played before. Our students’ sportsmanship was also of a very high standard which was very pleasing to see. I would like to make special mention of the Year Nine students who did a great job umpiring and managing their respective teams. Also, a huge thank you to Mrs Palfrey, Mr Morcom, Mrs Grimes and Mr Charlton for their help on the day.

Mr Glenn Scarterfield - Junior School Physical Education

Secondary School News

From the Pastoral Care Office

“Sticks and stones may break my bones, but words will never hurt me.”
Growing up, many of us may have had this old English rhyme recited to us as a means of comfort when words have been said that hurt our feelings. We may have recited it to ourselves, or to others, to alleviate the sadness of cruel words. But is this the right thing to do? Are we saying that hurtful words are acceptable?

Sometimes, we say things that hurt others. It can either be a deliberate choice we make to hurt another person, or it may just slip out. As easily as words can build someone up and
make them feel great about themselves, so too they can just as quickly be used to mock, degrade, scorn and ruin another's self esteem and even break friendships.

Research shows that hurtful words, bad language and swearing is a phase many teenagers go through as they begin to assert their independence, but sadly, as their growing brains develop they are not always fully aware of the power their words have over others. It is our role to teach our teens that words have power, and words DO HURT.

At St Joseph's College we are mindful that some students are using inappropriate and hurtful language, and it is something we are taking very seriously. If you hear your child using such language at home please talk to them, get them to examine how their words may make others feel. Appeal to their intellect, ask them to find other ways of expressing themselves. Teach them to walk away when they are feeling frustrated and feel like they are going to 'lash out' in a verbal tirade. Using these moments as a learning tool assists to spotlight inappropriate language and may help young people learn self-control as they choose to either build someone up, or tear them down.

In partnership with home and school we need to teach our students that it is OK to tell someone if they have had their feelings hurt, and we must teach them to be quick to say sorry, and to mean it. Together we can continue to build a community that is established on the foundation of love, kindness and acceptance that Jesus taught.

Mrs Caroline Tompkin - Pastoral Care Co-ordinator Years 7-12

**Apex Australian Teenage Fashion Awards**

On Friday 17th August Van Nguyen and Madaline Madigan competed in the country heat in Katanning for the Apex Australian Teenage Fashion and Arts Awards... and they won!! So they are now off to the State finals to be held in Mandurah in September.

Van competed in the Casual Wear and Madaline in Wearable Art. Both girls could not sew before this year... yet they designed, created patterns, produced and modelled their garments. This was not an easy task for either girl and I could not be more proud of them both. Congratulations!

Mrs Dianne Trahair - Textiles Teacher

**RAC Road Safety Presentation**

Last Wednesday the Year Eleven and Twelve students were treated to a guest speaker presentation from RAC Education officer, Paula Miller. The presentation focused on the effect of alcohol and drugs whilst driving, the law and decision making strategies to help students travel home safely. The presentation also provided many hands on opportunities for the students including the opportunity to try the 'fatal vision' goggles. The session was highly informative and allowed the students the opportunity to develop some good strategies to help them keep safe.

Mr Paul O’Donnell - Physical Education Teacher

---

**Teenage Fashion Awards**

Van created a two-piece garment from a cargo printed khaki cotton. The skirt is close fitting, bias cut and has a high elasticized waist. The left tie overlay extends into the right tie end and the skirt is finished with a frayed hem. The top is created with a fitted bodice and has a halter neck tie. The top is cropped and features a frayed hem.

Madaline’s mullet dress is made from an organic cotton, died deep red. Madaline was inspired to use organic cotton after researching sustainable fabrics in her Certificate II Fashion Course. The dress has a semi-fitted sleeveless bodice where the armholes finished with biased tape. Madaline has stitched disposable milk bottle caps... rubbish... from her work to the bodice. The bodice ends with the flared mullet skirt, hemmed in bias. She had decorated the skirt with melted single use plastic bags, making a new fabric that overlays the cotton. The dress comes together with a centre back zipper for closure. Madaline’s inspiration for this piece came from the banning of single use plastic bags in Western Australia and in seeing waste at her work.
**Parish Notices**

**Celebration of the Sacrament of First Reconciliation**

Saturday, 25 August and Saturday, 8 September
10.30am at St Joseph’s Church

Let us pray that these children who will be receiving the Sacrament of First Reconciliation may discover the peace and the amazing love of God’s forgiveness.

**Do You Like to Sing? Have you ever wanted to sing in a choir?**

You are invited to join Holy Family Children’s Choir!
Under the direction of Edith Woods and Angela Gorman
we provide the music ministry for;
the Second Saturday of the month Mass at 6pm
and also the Third Sunday of the month Mass at 9.30am at Holy Family Church.

We rehearse on the First Sunday of the month from 2-4pm
(refreshments provided) at Holy Family Church.
If you would like any additional information,
or to register your interest,
please do not hesitate to contact
Angela Gorman on 0407389751 or at angelabendotti@hotmail.com
OR Edith Woods on 0403947360

The choir is open to any child from Year 1 to Year 6.
We’d love to see you!
