Dear Parents, Staff, Students and Parishioners,

The anniversary of the first Catholic Mass in Western Australia which occurred in Albany will be celebrated this Sunday 4 November 2018. The Mass commences at 10.00 am at Mass Rock which is located on Bolt Terrace, Albany near the Port Authority. This is a very special event for the Holy Family Parish so please do try to attend. A light luncheon will be provided free of charge after the Mass at the Stirling Club, Brunswick Road Albany. All families from St Joseph’s College are welcome to attend.

Well done to the students from the Junior School and Mrs McGlade for their beautiful reproduction of the Mass Rock logo which will sit proudly near the lecturn. This logo symbolises that the students of St Joseph’s College are the future of the Holy Family Parish in Albany.

Last Saturday, a group of parents, staff and several students spent all or part of the day cooking sausages outside Bunnings in Albany. There was brisk trade all day no doubt assisted by the beginning of Spring weather and consequently $1631.30 was raised (several bills still to be paid from this). St Joseph’s College is so fortunate to have people who generously give of their time to enable our College to have additional resources. Thank you to Mrs Sheryl-lee Green for coordinating this event and all who offered their support. This Saturday (3 November) there will be the P&F Garage Sale at the Ulster Road site. All families are invited to come and search for some bargains between 8.00 am and 2.00 pm.

Preparations for the 2019 school year are well underway particularly in relation to securing staff. There are some great new teachers who are excited about joining St Joseph’s College next year. Currently there are two positions yet to be filled so if anyone knows any suitable applicants please do ask them to contact me.

Woodwork Teacher (Years 7 – 12) 0.6 FTE – TAE 40116 Certificate IV in Training and Assessment / CPC20211 Certificate II in Construction (Pathways) Laboratory Technician 0.4FTE – Certificate IV in Laboratory Techniques or equivalent / Current First Aid Certificate.

From the Principal

Prayer for our St Joseph’s College

This is our College, let peace be found here,
Let the rooms be full of happiness,
Let love abide here, love for one another and love for God,
Let us remember, that as many hands build a house, so many hearts make St Joseph’s College.

Amen
If the above qualifications are not held, but a person has appropriate experience in the area required still have them contact me.

The AGM for the College Board and P&F Executive will be held on Tuesday 20 November at 7.00 pm. Nominations for the College Board and P&F are now being sought and I encourage parents to positively respond to the vacancies available on both these parent bodies. The involvement of parents in the life of St Joseph’s College has been an area of considerable improvement in recent years. New ideas and a different way of doing things are always welcome, particularly if they lead to the provision of a quality education for our students. Nomination forms are attached with this Newsletter.

Thank you to all families who have settled their fee accounts or continue to make regular payments. Where families are experiencing difficulty in paying their fees – I ask you to make an appointment with me to discuss your situation, there is always a solution and we are committed to working with our families to ensure Catholic education remains affordable for all families in Albany.

St Joseph’s College offers a Three-Year-Old Programme which caters for children who have turned three years of age but are not yet old enough to be in the Kindergarten Programme. In 2019 the programme will be delivered as one full day, although parents may choose one half day if they believe their child is not ready for a longer time at school. It is important that enrolment applications are lodged ASAP. There is a possibility this class may operate with their own teacher and classroom next year however five more enrolments are needed to make this a reality.

There are so many ‘good things’ happening in our school due to the efforts of so many people; seek to be one of those people in the coming week!

Mr Mark Browning
Principal
CALLING FOR BELLS

As part of the College Remembrance Day Celebrations, there will be a ‘Ringing of the Bells’ as happened in 1918 when peace was announced.

If you have a bell, please send it with your child to school on Thursday November 8.

College Notices

ST VINCENT DE PAUL CHRISTMAS FOOD APPEAL

The annual Christmas Food Appeal for St Vinnies will start on Monday the 5th November and conclude on Friday the 30th November.

In the past St Vinnies has been overwhelmed by the generosity shown by families of our College in supporting their work to ensure everyone enjoys Christmas, not just a few. If you are able to donate some foodstuffs to this year’s appeal this would be greatly appreciated. Some of the items that are required are Christmas Puddings, Christmas Cakes, fruit mince pies, Fosters packet custard (large and small), savory and sweet biscuits, jellies, tinned fruit (large and small), tinned fruit salad, canned meals, packets of pasta, pasta sauce, cool drinks and any general canned food.

Also required are Primary School items e.g. pencils, textas etc. in preparation for the 2019 school year.

Drop off points will be the secondary library, Cunningham block and Matheu block.

Come and let us help keep the Spirit of Jesus truly alive this Christmas.

Further inquiries please contact me.

Chris Palfrey

Chaplain’s Corner
Fr. Randolph Subiaco

This Sunday we will celebrate the 175th anniversary of the first Mass in Western Australia, celebrated on top of a rock, by a French priest who was on board a French frigate. Not so odd. Did you know that the first priest in the continent was a convict? It was not until 1800 that the first priests arrived in the colony -- as convicts! One of these, James Dixon, arrested as part of the 1798 Irish Rebellion, was granted conditional emancipation and permission to say Mass for the Catholics of Sydney, Liverpool and Parramatta on successive Sundays, a practice that continued from 1803 until March 1804, when the Castle Hill rebellion broke out. For a long time after that there was no Priest so the lay people gathered and prayed together in a small basement in Sydney. Unlikely events brought Catholicism to the continent. If we also look at the story of Jesus, He was also unlikely. Very far from human expectation and the ideal. But God works in mysterious ways. He would like to turn things upside down and to turn the ugly to a beauty. If we reflect that the cross, which is the source of humiliation and punishment, became the source of salvation and symbol of triumph. Things may be unlikely but God’s way would always be different from our ways. Hence, we always surrender to the providential wisdom of God that at the end of the day all will be alright. 175th year celebration reflects the resilience of the faith, grace and mysterious ways of God that stand through time.

Semester Two Updated Exam Schedules

The exam timetables and instructions for Years Seven to Eleven have been updated and are included at the end of the Newsletter.

Please disregard the schedules published in the Week Three Newsletter and use the schedules in this week’s edition.

There are different instructions for each year group, so make sure that each student has all that is needed for each exam and does not bring to school items that may not be permitted.

Remember to let the school know well ahead of time, preferably this week, or at least in the days before the exam, if there are any issues about your child attending scheduled exams.
ST JOSEPH’S CUP
Next Tuesday the annual St Joseph’s Cup will be run and won. Horses from Year Six and Jockeys from Year One will push their endurance over to claim the cup for 2018. The event also coincides with the Fancy Hat Parade to be held prior to the showcase horse racing event. The fun begins at the Cunningham Lawn at 12.15pm. We hope to see you all there!

Jim Morcom
Assistant Head of Junior School

Junior School News

The Night of the Notables
A select group of students from the Junior School’s Year Four - Six Enrichment group presented the Night of the Notables on Tuesday in the Undercover Area. This was an opportunity for the students to choose a person who inspired them in some way. They then had to research the person and present information on a display board as well as become that person for the evening. The following students are to be congratulated for the hard work and perseverance that went into making this an enjoyable event.

Year 4: Andrei Bombasi - Bill Gates (Microsoft)
      James Johnson - Sir Isaac Newton (Scientist)
      Zachesu N’donga - Kylian Mbappe (Soccer)

Year 5: Mia Baker - Leonardo da Vinci (Painter/sculptor/inventor)
       Charlotte Clayton - Queen Victoria (British monarch)
       Amity Fennell - Bindi Irwin (Australia Zoo)
       Blake Medbury - Shigeru Miyamoto (Video game designer - Donkey Kong & Mario Brothers)
       Abbey O’Donnell - Tracey Hannah (Downhill Mountain bike racer)

Year 6: Nat Boontavee - Madonna (Singer/actor)
       Smriti Keerthana Gowtham - Marie Curie (Scientist)
       Tessa Wiseman - Cleopatra (Egyptian monarch)

Erica Mielens
Head of Junior School
Please don’t forget to return the P&F nomination/AGM form.
If the vacated executive and coordinator positions are not filled the ability for the P&F to function, let alone fundraise, support and contribute to the school will be greatly diminished.
If fundraising events do not have a coordinator & helpers, then they will unfortunately be unable to run next year.
We would love to keep seeing the excited & thankful faces of students, staff and parents, so if you would like to help contribute with these great roles, please take this chance to get yourself and/or friends involved with the event/position of your choosing. Or simply tick the box to become a member & help out every so often.
We understand it can be too hard to come to meetings, so simply being a member and helping out others is more than enough. We hope to see many more amazing volunteers in 2019!

Fiona Baker
P&F President

What’s going on with all the boxes in the Junior School Digital Technology room?

Pre-primary students designing their robots.

Budding robotic engineers of the future

Arcade games galore

Designing, cutting, gluing, wrapping and a lot of fun to be had in the junior school Digital technology room.

Year 5 Camp

By: Charlotte Clayton

On Thursday the 25th of October everyone in Year Five went to school like a normal day but with camping gear because it was the Year 5 Camp! We met with the teachers in the gym at 8:30am and set up our things. Then we had recess and got put into two groups which were choir and non choir. I was in the choir group who were doing high ropes first with Mr Charlton.

We headed down to the old St Joseph’s Junior School where we were about to participate in a fun and exciting activity that had some milk crates and gym mats. The first climbing task we did was the Three Pine Log Climb. Abbey and Mr Scaterfield went up first then many other people climbed and achieved fantastic results! When I went up I went with Maz it was so much fun and challenging.

At about 12 o’clock we went back up to the gym for lunch. After lunch we went back to the old junior school where we were to do the high rope activity called the Crate Climb. Marcus and I went up first, when we were in our harnesses we started to climb. The first few minutes of the climb were not as terrifying as the last two when were at the top of the tall crate towers. When we got to the top and touched the knot, we stepped off the tower and kicked it down! It was so much FUN when I reflected back on the petrifying experience. After that we went down to the Field of Dreams where Tina (Mr Charlton’s partner) and the other Year Five team were waiting for us. Tina told us how to harvest the food we had grown. When she had told us some interesting facts on our plants, we got to work and had it done in no time. Then we made most of dinner with the produce and the food was so delicious!! After that we watched a movie and had a camp fire. We went to bed late that night and got up early in the morning.

After a horrible nights sleep we went for a walk around the school following Mr. O’ Donnell. Then we had breakfast and headed off to our activities. The group I was in was doing orienteering, first Mrs. Grimes explained the rules then we got into groups of four. Mrs. Grimes sent us out to find two markers and come back. When we got back, we had something to eat then we went back but this time we had to find them all. The group I was in came first and we finished 50 minutes early. When all groups were back, we prepared lunch and had a break. When we cleaned up the fun continued, only this time with team games. An hour later we went and joined the other group of Year Fives and we played Holy Barrel. It was fun, muddy and wet, that lasted for half an hour. When it was finished we all packed up our stuff and went home.
On Wednesday Year 3 had a visit from Albany Fire Brigade and learnt some valuable safety tips on fire safety.
From the Pastoral Care Office

Centenary of Armistice

On the 8th November schools within the Albany religion will gather together to celebrate the Centenary of Armistice with a Combined Schools March and Service. Students in Years Six and Nine were chosen to research some of the soldiers whose names are honoured on the war memorial on Mt. Clarence. Their research will be displayed in the Albany Public Library and will be included in the Bell Ceremony during the Combined Schools Service. All Year Six and Nine students will attend the Combined Schools Service.

I am seeking expressions of interest from students who wish to attend the service and represent St Joseph’s College on the day.

The service will take place at Albany ANZAC Peace Park, with students departing school at 9.25am and returning by 12 noon on the day. Students will be required to wear full College uniform.

If this is something your child would like to be involved, please return the permission slip of the email you will have received from the College recently and return to the front office know by Monday 5th November. There are limited places available, so places will be offered in order they are received.

Lions Youth of the Year

Are you a high school student who will be aged between 15 and 19 years as at the 30th June 2019?

Have you made an impact in your school or local community?

Lions club of Australia welcome you to nominate for their Youth of the Year.

If you would like more information please come and see Mrs Tompkins in the Pastoral Care office for more information.

Can you help?

School Based Traineeships and Apprenticeships are a valuable way for students to gain workplace experience and a nationally recognised qualification at the same time. There are multiple benefits to the host employer including having an enthusiastic 'extra pair of hands', valuable positive promotion among the St Joseph’s College and wider community, as well as the ability to provide individual training to a prospective employee.

I currently have students seeking School Based Traineeships and Apprenticeships in the following industry areas:

- Automotive
- Childcare
- Construction - painting
- Construction - carpentry
- Information Technology

If you would like to offer a School Based Traineeship or Apprenticeship to a St Joseph's College student in one of the above industry areas or would like to offer one in an alternative industry in 2019 please contact Mrs Jane Bennett at jane.bennett@cewa.edu.au.
**St Joe’s WOW**

*(St Joseph’s Warriors on Waste)*

This term we will visit Emu Point to make an impact on the environment! The anticipated date will be **Saturday November 17** between 1-3pm (weather permitting)

Remember, **YOU can** make a difference! For every piece of plastic, you DON’T use, you are helping our environment.

Are **YOU** going to be a **St Joe’s WOW**?

Elizabeth Bain

The College Administration must be notified of all absences prior to any examination and a medical certificate must be provided to avoid incurring any penalties. Students must wear College uniform as outlined in the College Diary. Please contact Mrs Jane Bennett if you have any concerns. Students with three or more examinations are not required to attend school unless they have an examination scheduled.
ST JOSEPH’S COLLEGE BOARD 2019

NOMINATION FORM

The St Joseph’s College Board provides an opportunity for parents to have a greater involvement in the operation, management and capital development of the College. The Board meets once a month in the Administration Block.

The College Board carries out the following functions:

• Plans for the present and future operation of the College
• Disseminates information about the College to the school and wider communities
• Manages the College’s finances (no formal qualification required)
• Liaises with other groups within the College community e.g. Parish and P&F
• Advises the Principal with respect to College policies such as fee setting

If you wish to nominate for the College Board, please complete the details below including a brief reason why you wish to put your name forward.

Please return this nomination form to Mr Browning by Wednesday 14 November 2018.

The combined College Board and P&F AGM is on Tuesday 20 November 2018 in the staffroom located in the main Administration Block at 7.00 pm.

Please circle:
I will be attending the AGM  I am unable to attend the AGM

St Joseph’s College Parents & Friends Association
Nomination Form for 2019 Association Positions

2018 has seen some positive changes in the way the fundraising events have been run at St Josephs. Lots of new faces have been in attendance of the regular P & F meetings and lots of new groups of parents have been coming together and getting involved in our fundraising events.

This has been fantastic for our College Community and has allowed the P & F to contribute an extensive amount of valuable resources to the School. We encourage you to get involved, as it is a great way to find out what is happening at St Josephs, to meet other parents and contribute to this wonderful school of ours.

You can either express your interest to nominate for a position on the Association, or express your interest in running one or more of the P & F’s major fundraising events. Co-ordinating a fundraising event is the perfect job for someone to do with a group of parents, as many hands make light work. All positions given support. The thankful, happy faces you see on staff and students, make these roles very rewarding.

Just tick the box of your preferred positions or events and return the form to the Office by Monday 5th November and advise if you can attend the AGM, which will be held on Tuesday 20th November at 7pm, Everyone is welcome.

Mystery and go in the draw to win a prize.

Discovery Centre
Museum of the Great Southern
10am – 4pm – Every Day

Wanslea Youth Camps
Wanslea is excited to announce we will be running 2 camps in the January school holidays for teenagers aged 13 - 17 years who live in the full-time care of grandparents. The camps will be lots of fun with heaps of different activities for young people to try, including:

- Abseiling
- Surfing lessons
- Kayaking
- Photography
- Film Making
- Music
- Bush survival skills
- Drama/Comedy
- Art
- Baking
- Noongar Sports

Please register your interest ASAP
These camps are FREE!
Transport to and from the camps will be provided. Places are limited so please register early to avoid disappointment. You can nominate which camp you would like to attend.

- Lions Myalup Pine Cottages Camp, Myalup 14 - 17 January 2019
- Camp Guarranup, Albany 21 - 24 January 2019

If you are, or know of a young person who would like to attend please contact Camp Coordinator, Maddie McLeod on 0425 204 241 or email mmcleod@wanslea.asn.au for further information and a registration form. Grandparents/grandchildren do not need to be connected to Wanslea to be eligible to attend.

These camps are part of the Wanslea Grandcare Research Project. The camps will be evaluated by Edith Cowan University.

* Please note: activities are not yet finalised and may vary between camps. If you have suggestions for activities please let Maddie know ASAP*. We will do our best to incorporate suggestions.

AUSTRALIAN NURSES AT WAR
Now ending 31 December
Pop-up Gallery, Residency Building
This exhibition is a tribute to those women who have died face-to-face with war, the wounded and the dead. Those who served close to the battlefield experienced it at first hand not only the discomfort of makeshift field hospitals, including mud, dust, but food and lack of sanitary amenities, but also the terror and numbers of war, soldiers who risk their health and well-being in the service of Australia. Some sacrificed their lives.
